

The first ACI Asia-Pacific Regional Assembly in Kansai to be held in Kobe!

-We, Kansai Airports Group, will be the host airport-

Kansai Airports Group is pleased to announce that we will host the "18th ACI Asia Pacific Regional Assembly, Conference and Exhibition" from Tuesday, May 16, 2023, to Thursday, May 18, 2023, in Kobe, Hyogo.

This is the first time this conference is to be held in the Kansai region. The conference brings together airport and aviation representatives from the Asia-Pacific region and beyond to discuss various industry issues, the latest trends, and prospects.

Under the conference theme of "Asia Pacific and Middle East Take-off: From Recovery to Global Leadership," experts from aviation and related industries will gather to discuss post-COVID airport development and the introduction of cutting-edge technology.

As the host of this conference, Kansai Airports Group is committed to leading fruitful discussions on environmental issues and further development of the aviation industry, as well as maximizing the exposure of the Kansai region, including the Osaka-Kansai World Expo in 2025.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
