Saturday Junction Special Live Show in KOBE Celebrating Kobe Airport's 20th Anniversary!

Kansai Airports Kobe is pleased to announce that the "Saturday Junction Special Live Show in Kobe Airport", a public live broadcast event organized by FM OSAKA, Kiss FM KOBE, and α-STATION FM KYOTO and co-organized by Kansai Airports Kobe, will take place on 19 September 2026 at Kobe Airport.

"Saturday Junction" is a radio program broadcast on three radio stations: FM OSAKA, Kiss FM KOBE, and α-STATION FM KYOTO. This event includes a joint public live radio broadcast from Kobe Airport, which celebrated its 20th anniversary this February. Personalities from the three stations will get together to share information about the attractions of the Kyoto, Osaka, and Kobe metropolitan areas, as well as weekend leisure and event information. Visitors can enjoy this free live radio broadcast in the unique open space at the airport, joined by "Sorayan", Kansai Airports Group's mascot.

Kansai Airports Group will continue to promote enjoyable initiatives through collaboration with diverse partners to showcase the appeal of airports and travel.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka Itami Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since 1 April 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on 1 April 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
