

New job search website for all three airports! KIX, ITAMI and KOBE

Kansai Airports Group is pleased to announce the launch of a joint job search website for the three airports in Kansai region (Kansai International Airport, Osaka International Airport, and Kobe Airport) on Friday, September 1, 2023.

The website will introduce a variety of job openings at the three Kansai airports and will be enhanced with content to help you find a job at the airports, sky gateways to the world.

Kansai International Airport and Osaka International Airport have been posting job information on separately operated job search websites, "Hatarakou Net." By opening a new joint job search website, we will be able to introduce job openings at our airports to a larger number of people.

Kansai Airports Group will continue to work in cooperation with all stakeholders to contribute to the revitalization of Kansai region and Japan and the creation of employment opportunities.

Site overview

Site opening: Friday, September 1, 2023, from 0:00 a.m.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
