KIX Environmental Discovery Adventure – Second Edition KIX Summer Vacation Special Event: Parent & Child Eco Tour 2026

Kansai Airports is pleased to announce that the KIX Environmental Discovery Adventure – Part 2: “KIX Summer Vacation Special Event: Parent & Child Eco Tour 2026” will be held at Kansai International Airport (KIX) on August 17 (Monday) and August 19 (Wednesday), 2026.

“KIX Summer Vacation Special Event: Parent & Child Eco Tour 2026” is a hands-on environmental learning program that enables participants to learn about Kansai International Airport’s environmental conservation initiatives. In the second edition of the “KIX Environmental Discovery Adventure”, participants will tour normally restricted areas by bus, visit airport facilities and aircraft, and learn about KIX and Airlines initiatives related to decarbonization, the circular economy, and environmental symbiosis. This tour provides an opportunity for participants to deepen their understanding of and interest in environmental issues and foster awareness of the importance of creating a sustainable society through firsthand observation and learning experiences.

Kansai Airports Group remains committed to creating airports that are both people-friendly and environmentally conscious. Through enjoyable initiatives such as this program, we will continue to share the appeal of airports and travel with as many people as possible.

Date & Time: 17 August (Monday) and 19 August (Wednesday) 2026,
12:00 to 16:30 each day

**The event will proceed in light rain.*

Eligibility: Elementary school students in grades 4 to 6
and their guardians (age 18 or older)

**Children must be accompanied by a guardian.*

Capacity: 25 pairs (50 participants) per day, total of 50 pairs (100 participants) over two days

**If applications exceed capacity, participants will be selected by lottery.*

Program:

- Ride on a hydrogen-powered fuel cell bus
- Tour and demonstrations at the airport’s environmental facilities
- Observation of environmental measures during aircraft operations ...and more!

Application Period: From 14:00 on Friday, 17 July to 12:00 on Wednesday, 29 July 2026

**Please review the application guidelines and important notes on the event webpage below before submitting your application via the online form.*

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka Itami Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since 1 April 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on 1 April 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
