TULLY'S COFFEE Opens at Kobe Airport Terminal 1 Domestic Area

Kansai Airports Kobe is pleased to announce that TULLY'S COFFEE will open a new store in the Domestic Area of Terminal 1 (T1) at Kobe Airport on Friday, 24 April 2026.

TULLY'S COFFEE is a specialty coffee shop that originated in Seattle. It uses carefully selected coffee beans from around the world, roasted in Japan. Espresso is prepared fresh for each order using semi-automatic machines, ensuring the highest quality at every step. In addition to aromatic coffee, the shop also offers a variety of food items, making the time before departure more comfortable and enjoyable.

Kansai Airports Group will continue to expand its range of shops and services to enhance customer convenience and provide a more appealing and comfortable travel experience.

New shop details

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka Itami Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since 1 April 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on 1 April 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.

VINCI Airports, as the leading private airport operator in the world, manages the development and operation of more than 70 airports located in 14 countries. VINCI Airports draws on its expertise as a comprehensive integrator to develop, finance, build and operate airports, leveraging its investment capability and know-how to optimise operational performance and modernise infrastructure while bringing about their environmental transition. In 2016, VINCI Airports became the first airport operator to commit to an international environmental strategy, setting itself the aim of reaching zero net emissions (scope 1 and 2) across the network by 2050 while supporting its stakeholders’ transition.
