## **Spring Break Airport Tour at Osaka Itami Airport - Special tour for elementary school students -**

Kansai Airports is pleased to announce the Family Airport Bus Tour to be held at Osaka Itami Airport on Friday, 27 March and Saturday, 28 March 2026.

This airport tour, held during the spring break period, is designed to help elementary school students feel more familiar with Osaka Itami Airport. On the day of the event, participants will have the opportunity to tour restricted areas of the airport by bus, view various facilities involved in aircraft operations, and observe aircraft parked on the apron. Additionally, the tour will include a visit to the airport's fire station, where participants can enjoy a facility tour and experience the water discharge demonstration from an airport chemical fire truck – an experience unique to airports.

Kansai Airports Group will continue to organize initiatives that provide enjoyable experiences and share the appeal of airport and travel with a wider audience.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka Itami Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since 1 April 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on 1 April 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
