Kobe Airport to Host Summer Vacation Early Morning Runway Walk!

Kansai Airports Kobe is pleased to announce the upcoming "Summer Vacation Early Morning Runway Walk" event at Kobe Airport, scheduled for Saturday, 18 July.

This event is designed to offer elementary and junior high school students a hands-on introduction to airports and aircraft. On the day of the event, participants will have the rare opportunity to walk along the runway — an area normally off-limits to the public — before airport operations begin in the early morning, and view parked aircraft and chemical fire engines up close. Airline staff serving Kobe Airport and "Sorayan," the official character of the Kansai Airports Group, will also be in attendance, making for a truly special experience. Additionally, in commemoration of the airport's 20th anniversary on 16 February 2026, all participants will receive an exclusive 20th anniversary commemorative gift.

The Kansai Airports Group will continue its efforts to offer engaging and enjoyable experiences, sharing the excitement of airports and travelling with as many people as possible.

Date & Time: Saturday, 18 July 2026, 4:45 to 6:30 (Check-in from 4:15)

Shaping a New Journey

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the

operations of Kansai International Airport (“KIX”) and Osaka Itami Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since 1 April 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBE”) from Kobe City and started its business as an operating company on 1 April 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
