Opening of “Lounge KOBE” at Kobe Airport Terminal 2

Kansai Airports Kobe is pleased to announce that it will open and begin operations of “Lounge KOBE” at Kobe Airport Terminal 2 on Thursday, 21 May 2026.

Located in the international departure waiting area of Terminal 2, this new airline lounge is designed to reflect the essence of Kobe. The interior features elements such as kobe tartan-patterned walls and carpets inspired by the sea, expressing the chic atmosphere of Kobe as a port city. The space is intended to provide a comfortable and relaxing environment, in addition to providing meals incorporating local ingredients and regional cuisine from Kobe and Hyogo. The lounge aims to offer a memorable experience for customers until the very end of their journey.

The Kansai Airports Group will continue striving to enhance customer convenience and deliver enjoyable and comfortable travel experiences.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport (“KIX”) and Osaka Itami Airport (“ITAMI”) from New Kansai International Airport Company (“NKIAC”) and has been operating the two airports since 1 April 2016.

Kansai Airports Kobe, Kansai Airports’ wholly-owned subsidiary, took over the operations of Kobe Airport (“KOBÉ”) from Kobe City and started its business as an operating company on 1 April 2018.

Under the concept of “One Kansai Airports Group”, Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
